

APPOINTMENT FEES

This is a non-refundable payment and will count towards my declared sliding scale fee. If I do not keep my scheduled appointment, the fee is not refundable. If I need to re-schedule, I can do so no less than 24 hours in advance, and the fee will be applied toward my new appointment. A maximum of one reschedule is allowed. 3C helps those who are less fortunate, we have developed a sliding scale fee structure based on total household income. Your fee will correlate to what you declare is your total gross household income. I attest that my stated gross household income that I declare is correct for my certification or re-certification fee and that I qualify for the offered discount for said services. *Recertifications required each 210 days
